We need your ideas... Some suggestions we all ready have are: A Wendy House for the children, Community Vegetable Patch and Green Gym Equipment. **Please let us know if you have any suggestions to help make our garden grow.** We will be reaching out to all you green fingered residents out there who love gardening and have spare time to keep it maintained.

Friendsham Friday Group– Update and Invitation to get Involved

We had our first meeting a few weeks ago to talk about issues which are important to residents in this area.

We are hoping to get some funding very soon– and need people to guide us on how it should be spent– to ensure it benefits people in Shinfield Rise.

We decided some of the aims of the group should be:

- Involve more families
- Further Opportunities for Children
- To make this area Thrive
- To source funding to support the group and give back to the Community

'Like-minded people determined to make a change in the local community' Come and have your say on what matters to you– All welcome– Please contact Cherish for more information.
