

Shinfield Rise Community Flat

Your Park Needs You !

What would you like to see at your local play park on Frensham Green?

The multi play unit is very tired and will shortly need to be replaced. The swings have been recently installed and will form part of the new scheme, however the council would

like some ideas as to what kind of activities the children in the area enjoy. Some suggestions so far have included trampolines, a bigger slide etc. The work is likely to take a number of weeks to complete and the equipment is unlikely to be installed in time for the Summer Holidays so please bare with us during this time.

Please contact Cherish with your ideas and these will be passed to the relevant service.

The voice

Do you have a passion for singing, would you like to get your voice heard. If so, then this could be for you.

There has been some local interest within the community to set up a singing group. We are aiming on starting this up to run from the flat one evening a month. The music will depend on interests of the group. If you would like to be involved in the Community Singing Group then please give Cherish a call. This is open to all ages and abilities. You never know, we may have the next Paul Potts or Susan Boyle right on our doorstep!
