Update on Community Garden Project:

Since having our funding confirmed we are in the process of inviting landscaping companies out to create plans and provide quotes for the new garden!

Please contact Cherish if you would like to see a copy of the proposed plan.

We are hoping to create a safe space, which is easy to maintain and accessible all year round. To do this we are hoping to have an artificial lawn, lots of raised flower beds, a new path and fence, and will also be adding a gate.

Watch this space as we will be taking photos throughout the project and give regular updates on the newsletter.

As always please do get in touch if you have any ideas or suggestions.

We are hoping to organise a Mini Music Festival on Shinfield Rise in the Summer for Young People in the area!

We will have:

- ⇒ Local Bands
- ⇒ DJ
- ⇒ Interactive DJ Sessions
- ⇒ BBQ and Ice-Cream Van

If you would like to be involved or know anyone who might be interested then please contact Cherish.

Please like the Shinfield Rise Community Flat Facebook Page to find out more about what's going on in your area!
