DRAFT

Minutes of a meeting of the Planning Committee held on Thursday 21 June 2018 in the John Heggadon meeting room at Shinfield Parish Hall, commencing 19:30 hrs.

Present: Cllrs N Boyer, P Emment, G Gray, A Grimes, D Lias and D Peer.

Attending: K Hughes (Deputy Clerk), Local residents Mr N King, Mr R Voysey, Mr & Mrs Malham, Mr J Frewin, Mr T Warwick, Mrs P Taduri, Mrs S Frewin, Mrs L Chatfield, Mrs E Curtis, Mrs J Thomson-Spokes, Mr B Ryder, Mrs G Doyle, Mr B Wood.

The Deputy Clerk welcomed residents to the meeting, and asked those attending to sign the visitor book.

The Deputy Clerk reported the confirmed date for a meeting scheduled by B/Cllr Pollock, at the parish hall on Thursday 5 July, where borough members and officers will be in attendance, and residents will be able to raise concerns and ask questions about the proposal for further residential development on land south of Cutbush Lane and east of Oatlands Road.

18/PC/13 Co-option of Cllr Grimes

Cllr Grimes was proposed, seconded and duly appointed as member for the Planning Committee. The appointment was opposed by Cllr Gray.

18/PC/14 Election of Chairman

Cllr Peer was proposed, seconded and duly elected as Chairman of the committee.

18/PC/15 Public questions

15.1 Residents expressed extreme frustration at a decision by the WBC Executive Committee to release two additional parcels of land south of Cutbush Lane for residential development. There was also general concern and frustration expressed by various of the people attending, in regard to most matters involving and arising from housing development on the scale the parish is currently seeing. Questions were asked as to why so many houses were being planned for in our parish, and not in some other areas of the borough.

Cllr Peer noted that the parish council has not yet received any planning application for the land south of Cutbush Lane, and as such, is not in a position to discuss the application. She noted that the parish council's position on future development is defined within the adopted Neighbourhood Development Plan.

Cllr Peer reiterated that the committee is a statutory consultee and can give opinions on applications, but has no decision making power. She noted that the committee cannot prejudge the review of the planning application and must follow the proper procedures in these matters.

The group repeatedly requested that the parish declare its current position towards ongoing and future development, and asked for the parish council's stance in supporting them in resisting future proposed development. The group expressed its willingness to help the parish council in any way they could, to resist future development. It was suggested that some might consider

joining the parish council. The group pledged their determination to fight on by any means possible, including involving the national press.

- 15.2 Mrs Frewin reported that the residents had not received official confirmation of the date of B/Cllr Pollock's meeting. The Deputy Clerk reported that the borough council has been reminded of the need to publicise the meeting scheduled for 5th July at the parish hall, and that the parish has suggested a parish-wide leaflet drop, and provided the details of the distribution company who deliver the parish council's newsletter. Councillor Peer confirmed B/Cllr Pollock's intent to hold this meeting, which he had discussed at a meeting earlier in the week, with Councillors and Parish Clerk.

- 15.3 Mr Frewin asked the parish council to confirm what action the parish has taken to resist development within the parish.

The Deputy Clerk noted that the council has objected to numerous developments (*many of which have been subsequently won on appeal*) within the parish, and on the borders of the parish, including:

- Land off Beech Hill Road (both north and south of the Road)
- Land at Stanbury Gate, Basingstoke Road, Spencers Wood
- Land rear of Diane Close, Spencer Wood
- Land at the Manor, Shinfield
- The parish council has written to the leader of Wokingham Borough Council and the Secretary of State for housing, communities and Local Government, highlighting the planning situation within the borough.
- Members noted that the parish strenuously fought the housing numbers for the current development underway at Shinfield Meadows, including taking the application to judicial review, but ultimately the application was won on appeal.

The residents group asked the committee what level of support and actions the Borough Councillors for the parish had shown in regard to development within the parish. The residents asked about borough members' attendance at parish meetings, and it was noted that their attendance is listed on the minutes, which are available on the council's website.

Mr Frewin criticised comments received from the Chairman of the parish council in his e-mail response, in which the Chairman suggested their concerns might not be shared by other residents in the parish.

- 15.4 Mr Frewin stated he had evidence of older drawings which show a differing boundary for the SDL, and challenged the idea that the southern parcel of land fell within the SDL. He asked about changes to the SDL between initial consultation and the approval of the Core Strategy. It was noted that both parcels of land fall within the South of M4 SDL as adopted as part of the current WBC Local Plan, which was approved in 2010 following an inspection and public consultation.

- 15.5 Mr Frewin highlighted concerns over the flooding on the land identified for development, and noted a PHD thesis written at Reading University, discouraging development of this land for flooding reasons. Cllr Peer asked residents if they could provide a copy of this to the parish council.

- 15.6 Following extensive discussion, residents were encouraged to attend the meeting scheduled for 5 July at Shinfield Parish Hall, and raise their concerns to the borough members and officers. Cllr Grimes encouraged residents to familiarise themselves with the borough's planning policies, including the Core Strategy and Managing Development Delivery and to gather any evidence available regarding the environmental and flooding concerns.

Mr N King, Mr R Voysey, Mr & Mrs Malman, Mr J Frewin, Mr T Warwick, Mrs S Frewin, Mrs L Chatfield, Mrs E Curtis, Mrs J Thomson-Spokes, Mr B Ryder, Mrs G Doyle and Mr B Wood left the meeting at 20.10pm

- 15.7 Mrs Taduri asked for an update on the traffic lights and crossing for the Church Lane junction with the Basingstoke Road.

The Deputy Clerk reported that at present, the delivery of this junction is required to be made prior to the occupation of the 100th unit, on land north and south of Church Lane. Cllr Peer noted

that these delivery triggers can be subject to change, as has been the case with the delivery of speed limit reductions for the Basingstoke Road.

Members noted that no further information on this matter is known to the parish council at present.

Mrs Taduri reported that she had raised the issue with B/Cllr Patman but had not received a response. Mrs Taduri was recommended to email her question to the Clerk, and it will be added to the parish's list of outstanding queries for the borough members.

Mrs Taduri left the meeting at 20:25 hrs

18/PC/16 Election of Vice-Chairman

Cllr Lias was proposed seconded and duly elected as Vice-Chair of the committee.

18/PC/17 Apologies and declarations of members' interests

17.1 Apologies were received and accepted from Cllr James

17.2 There were no declarations of members' interests.

18/PC/18 Minutes of the previous meeting

18.1 It was proposed and **RESOLVED** that the minutes of the meeting of 24 May 2018 were a correct record of the meeting, and these were signed by Cllr Peer, subject to the removal of item 18/PH/10.

18.2 Matters arising:

18.2.1 Langley Mead flooding

Cllr Grimes noted the work carried out to raise the level of the ground around the gates. Following discussion, a request for an additional pedestrian gate will be put to the University of Reading, and Cllr Grimes agreed to identify a suitable location to include with the details of the request.

18.2.2 Calling in plans to the WBC Planning Committee

The Deputy Clerk reported on correspondence on this matter relating to requesting the 'calling in' of planning applications. The Deputy Clerk was asked to seek clarification on this from the WBC Democratic Services team.

18.2.3 LED Street lighting – cost savings

The Deputy Clerk confirmed that information relating to the cost savings achieved from the conversion to LED will be circulated to members.

18.2.4 Speed limit reduction initiative and speed equipment

Cllr Emmet reported on the progress with training for the Thames Valley Police speed monitoring equipment. Members noted the lack of response from the WBC highways Department regarding the request for a speed limit reduction for Hollow Lane.

18.2.5 Housing numbers letter to Sajid Javid MP

Members noted a request to forward the housing numbers letter, originally sent to Sajid Javid MP, to the new Secretary of State for Housing, Communities and Local Government. The Deputy Clerk will follow up with the Clerk on this matter.

18.2.6 Letter to Thames Valley Police regarding speeding in Grazeley

The Deputy Clerk confirmed she will follow up with the Clerk to ensure the updated letter regarding speeding in Grazeley has been sent to the Local Police Area Commander for Bracknell and Wokingham, Superintendent Shaun Virtue.

18.2.7 Building heights – land north and south of Church Lane, Three Mile Cross

Cllr Lias reported concerns over the building height of the new block on land north of Church Lane, and a similar proposal for a 3 storey block on land south of Church Lane. The Deputy Clerk was asked to follow up with the planning officer on this matter.

18/PC/19 Terms of Reference

Members reviewed the updated Terms of Reference for the committee, and following discussion, proposed and **RESOLVED** to adopt the Terms of Reference for the 2018/19 civic year.

18/PC/20 Development Corporation proposals

Following discussion, the committee requested the discussion on the proposals for the establishment of a Development Corporation be referred to the Development Board.

18/PC/21 School Green Car Park

Following discussion, the committee requested the discussion on the proposals for the reviews of the School Green Car Park be referred to the Development Board.

18/PC/22 **Enforcement update**

Members noted the reports on enforcement matters, previously circulated.

18/PC/23 **Highways, Street lighting and footpath matters**

23.1 Members discussed the speed limit reduction initiative, and it was proposed and members **RESOLVED** to establish a working group, consisting of Cllrs Emmet, Gray and Lias, which will be led by Cllr Lias, to take forward proposals for delivering speed limit reductions across the parish.

The Deputy Clerk noted that the working group will make recommendations to the Planning Committee, and that external communications must go through the Clerk and Committee Chair.

23.2 The Deputy Clerk reported on the consultation on the Smart Motorways initiative (details previously circulated) and a presentation received at the recent WBC Major Projects Meeting.

The Deputy Clerk noted that the project is due to commence in autumn 2018, and due for completion by March 2022. It was noted that the works will involve some M4 closures, though it was noted that the works between junctions 8/9 and 12 do not require major structure demolition or rebuild.

23.3 There was no update on street lighting

23.4 Members noted correspondence between Wokingham Borough Council and the Loddon Ramblers regarding the reinstatement of footpaths 30 and 32A.

Planning decisions: Approvals

173432 Proposal Our comment	260 Hyde End Road, Spencers Wood, RG7 1DL Full planning application for the erection of two bedroom 1no detached dwelling. Shinfield Parish Council welcomes a small unit on this site, which is in keeping with a previous structure on this site. We request standard working hours (Monday to Friday 8am to 6pm, Saturday 8am until 1pm and no working on Sundays or Bank Holidays), restrictions for this development. We request that there be no off-loading of vehicles or on-street parking of construction vehicles during peak travel hours, as this will cause significant disruption.
