Dear R&A Members

John is pleased that the committee agreed to replace the bollards in the Parish but on inspection the bollards at TMX and SW are in worse condition than the ones in School Green. As the value is equivalent, I recommend that we replace the TMX and SW bollards this year and School green next year.

Can you please respond with either **YES** or **NO** to the TMX and SW bollards being replaced this year.

Kind regards

Mike Balbini
