I think we are too late for this month, Mike. Shanks was getting accounts in a decent state! If so we will have to wait but do you want papers in hard copy as well!

Thanks for your support

Hi [REDACTED]

I have pulled together draft 1 and also attached accounts for Year 19 and year 20 plus given financial summary for Year 21.

Hope this makes sense, if you are happy, I think you can simply send it to Mike but if he wants a hard signed copy, we can sort that out too,

best, S
