Mike

A quiet period due to purdah,

A few things still progressing were

1. Fly tipping input to strategy and plan. Really good progress made. Strategy due to be agreed and actions in place by April. Many actions are being rolled out already.
2. Significant effort in South of Cutbush appeal. Ongoing.
3. Climate emergency - plan published but without a group input or meeting - conflict is expected. Personally think the plan is good draft .
4. Alder Grove car park - residents have been given answer
5. WBC web site review not yet started - frustrating
6. Pot holes that we're reported were fixed - need to get residents to actively report via WBC portal or fix My Street
7. Traveller report now due Feb

All other actions and activities no progress or update.

Regards

Jim Frewin
Independent Cllr Shinfield South
Wokingham Borough Council

Subject: Call for BCllr reports for Shinfield Parish Council Full Council meeting of 20th Jan 2020

Dear All

The agenda for our Full Council meeting is going out tomorrow and in advance just a reminder to send your BCllr report tonight or tomorrow morning or by the 20th.

Kind regards

Mike Balbini
