26/CYA/3 Youth Matters

- 3.1 The development of the role profile for the Youth Worker role approved by Full Council

The committee gave Rachel Walker and Nicky Bray the opportunity to discuss the current youth club and the rationale for the teenage youth work role. Teenagers have little in the way of leisure opportunity within the parish and would also benefit from consistent faces to help them.

There was a discussion on the draft role profile. Rachel Walker emphasised the need for consistency in the workers who engaged with young people and the benefit of giving that group opportunities to develop.

The Clerk advised that the Police & Crime Commissioner currently had a grant scheme open for potential equipment to support the new role and he would make an application for that.

ACTION – Clerk to apply to the Police and Crime Commissioner Grant Scheme

There was a discussion on how else the current youth club could be supported and the items identified were an iPad and access to Edukey for more secure record keeping and access to additional training.

ACTION – Clerk to source an iPad for Youth Club

ACTION – Clerk to discuss additional training for Youth Club team

3.2 Potential future development of the existing youth club

Additional equipment would always be welcome for the current Youth Club, but it was recognised that storage at School Green Centre was always a challenge. Items discussed were pool table, dart board and table tennis.

ACTION – Clerk to investigate what equipment for the Youth Club might be possible

Rachel Walker and Nicky Bray left the Meeting

3.3 Development of Youth Council

It was agreed that further discussion on this would be deferred until such time as the teenage youth workers and the Community Engagement & Events Officer were in place.

ACTION – Clerk to place on the Agenda for the meeting on 26th November 2026

3.4 Potential for a Duke of Edinburgh scheme for the parish

The Deputy Clerk was investigating SPC membership to Berkshire Youth Organisation as a possible route to the Duke of Edinburgh Scheme as they run a virtual scheme. According to the BYO website “This provides a young person the flexibility to engage to suit their lifestyle, resources and time. It also provides the opportunity for young people to participate in the scheme if their school has reached capacity.”

Members however still wished to explore a directly delivered route for young adults in the parish.

ACTION – Clerk to continue to investigate options for delivery of Duke of Edinburgh Scheme

3.5 Options for youth mentoring

It was agreed that this would be covered by the teenage youth worker role.

ACTION – Clerk to include in the role profile for youth workers

Dear Applicant

Thank you for applying to the February 2026 round of the Community Fund. Unfortunately, your bid for funding has not been successful on this occasion.

The fund is extremely popular. In this round we received 287 applications seeking over £2 million, which far exceeded the £200,000 we had available for distribution in this funding round.

However, we always welcome the breadth and scope of work being undertaken by local charitable and/or community groups across the Thames Valley and this is a source of great reassurance to the Police and Crime Commissioner and Chief Constable as we continue to work together to tackle crime and disorder for and within our local communities.

We unfortunately can't offer individual applicants feedback on their application. However, we have listed below a few points successful application bids had, which we hope you will find helpful.

- Clear and concise description of the project.
- Detailed costs associated with the delivery of the project or the service.
- Evidence of the need for the project or service with references to consultations and surveys etc.
- Defined and clear links for how the project or service aligns to the Police and Crime Plan and contributes to its outcomes.
- Good working links and connections with local partnerships, Thames Valley Police and others.

We intend to run the next round of this fund in September 2026 and, although we expect to be overwhelmed with interest again, we would not wish to discourage anyone from making another application in the future.

Kind Regards,
