Hello Kouy,

Please find attached the vacancies by site.

Work carried out Recreation Lane 14B has been cleared this week (due to death of Tenant). I will fill this vacancy.

I have had a complaint from a resident re a tree overhanging his garden in Green End Close. Branches are dropping off. I have reported this to Mike.

We have had water problem again on Deardon site the water trickling out John has been on site a rectified the problem.

We have Mares tail on two allotments on Recreation Lane which is a very invasive weed. I have spoken to the tenants who have vacated their plots ready for treatment.

Nothing much has happened apart from all tenants are struggling with the weeds after a long wet period, only to be expected.

No other complaints or worries from tenants.
