

8.2

Do you want to **curb complaints** from the public about **dog fouling and littering**?

Our **environmental stations** make a real difference to the amount of
litter and dog mess, whilst **engaging the community to take action**.
This in turn **takes the pressure off of councils** and unites them with
the community on a shared issue.

A unique cost-effective solution to tackle a
growing problem.

More engagement with the community,
encouraging them to be responsible with litter &
dog waste.

Proven decrease of dog waste and littering,
resulting in a drop in complaints.

100% compostable bags are provided to the
public, showing that their local authority cares
about the planet.

Take a look at one of **Faversham
Town Council's** stations below
