

A PLACE FOR PEOPLE AND NATURE TO THRIVE

A SHARED VISION FOR TWYFORD GARDENS

By working closely with Wokingham Borough Council and the residents of Twyford and Ruscombe, we can shape a shared vision to create a beautiful new part of the community, new infrastructure, spaces for business, community facilities and the mix of high quality homes local people need, all set within a beautiful landscape designed to provide space for nature and support community wellbeing.

Together, we can evolve these initial proposals and create a place which generates real benefits for the community and where residents of all ages and backgrounds will thrive.
