

Dear Residents

We are writing to inform you of works that will take place on the Shinfield Studios site over the next three consecutive weekends. Wokingham Borough Council have approved these works.

The works are required to install the new drainage systems on site and due to health & safety regulations we need to do this work at the weekends. A large amount of preparation will take place during normal working hours however an element of the works cannot take place during working hours as we need to dig up the main traffic routes around the site.

We have restricted the movement of all delivery vehicles and will arrange for all materials to arrive on site prior to the weekend. An appointed Traffic Marshall will ensure that operatives driving to the project are accessing and egressing the site safely. All noise over the weekends will be kept to an absolute minimum.

Should you have any need to contact us over the weekend please call the Site Manager Florin Garbou 07776 047220.

Please don't hesitate to contact us should you need. Dr Paul Harvey 07968 941009 or email Paul.Harvey@chessengage.com

Thank you
Yours sincerely

Dr Paul Harvey
