Friday Funday Christmas 2023 & Feb Half-term

Fantastic fun was had by all who attended the Friday Funday at the School Green Centre on the 22nd and 29th December 2023, a regular event held during school holidays. Activities include themed colouring sheets and crafts as well as bouncy castles, a ball pit and soft play equipment.

These events are arranged to give families somewhere to entertain children of primary school age and under, funded by Shinfield Parish Council. Voluntary donations are used to help fund the hire of equipment from 'Artists Harvest', and craft supplies.

We started this event in August 2023 and it has created a buzz to the School Green Centre with many children returning to each session.

The next session will be held during the February half term where we are ready to welcome all families in the area. (See flyer below)

Thank you to those who supported the Toys & Teens Appeal 2023

Taken from Toys & Teens appeal webpage -

Toys and Teens Appeal 2023

We had another fantastic year for Reading Family Aid's Toys and Teens Appeal! We provided 668 sacks full of toys and presents for over 2484 children in Reading and the surrounding area. Read all about the 2023 Appeal in our latest [blog](#).

If you still have toys to donate, we will start accepting them again in 2024 so please hang on to them.

Watch this space for more information. www.readingfamilyaid.org/toys--teens-appeal.html

Shinfield Parish Council staff were extremely proud to be actively involved and a collection point for this appeal and will continue to support this important charity year on year. Congratulations to all those who made this possible.

Ringin' for the Rainbow Trust

In the most wonderful example of community supporting the community, the Shinfield and Swallowfield church bellringers gave up a Christmas shopping opportunity to instead spend their Sunday afternoon supporting the Rainbow Trust. This charity provides emotional and practical support 24/7 to families who have a child with a life-threatening or terminal illness.

The bells of each tower were rung for one hour on Sunday 26th November in support of the Rainbow Trust "No Family Alone" appeal and families of all faiths (and none) in our local parishes where a child is suffering from, or who has been lost to terminal illness. As a result of the ringers' efforts an incredible £1280.00 in total was raised towards the appeal. The Charity is enormously grateful to the Shinfield and Swallowfield Bellringers and to all those who donated for their incredible generosity.

Locally, the Swallowfield-based Rainbow Trust team still has a waiting list of families in need of their support. Do please get in touch if you are a school, business or other organisation which can fundraise for us, support us with access to child-centric activities or partner with us in any way. CHANGES APPROVED FOR PARLIAMENTARY CONSTITUENCIES AND WARD BOUNDARIES

Important changes to the parliamentary constituencies and ward boundaries in Wokingham Borough have been made following independent reviews.

There will be all-out borough elections in May 2024, with all 54 seats up for contention on Wokingham Borough Council.

Following a [review by the Local Government Boundary Commission for England](#) (LGBCE), changes have been made to the electoral ward boundaries in the borough. The LGBCE began this process in August 2022 and held two rounds of consultation to gauge public opinion on its recommendations. The final proposal was approved by Parliament in November.

The review was conducted to ensure councillors represent roughly the same number of electors and that ward arrangements will help the council work effectively. The number of councillors will remain at 54 but there will now be [18 wards](#), represented by three members each, which are as follows:

- Barkham & Arborfield
- Bulmershe & Coronation
- Emmbrook
- Evendons
- Finchampstead
- Hawkedon
- Hillside
- Loddon
- Maiden Erlegh & Whitegates
- Norreys
- Shinfield
- South Lake
- Spencers Wood & Swallowfield
- Thames
- Twyford, Ruscombe & Hurst
- Winnersh
- Wescott
- Wokingham Without

Both the new and current boundaries can be viewed [online](#), while full details of the LGBCE review are available on the [commission website](#).

This means that some residents will be voting in a different ward to the one in which they last cast their vote. It is therefore important to read your poll card carefully when it arrives in April, as it will

tell you which polling station you can vote at. Any new polling stations will be confirmed at the end of January.

In addition to the ward boundary changes, there are also [new parliamentary constituency boundaries](#) to elect Members of Parliament.

There are now two constituencies in Wokingham Borough which are:

- Wokingham
- Earley and Woodley

The Wokingham and the new Earley and Woodley constituency are administered by Wokingham Borough Council. This change came because of a different review, which was carried out by the Boundary Commission for England.

Andrew Moulton, returning officer at Wokingham Borough Council, said: “Our message to residents is to get ready for this year’s elections as soon as possible. There are significant changes being introduced to elections and the voting process, but by planning ahead you can cast your vote with confidence in May. Remember to read your polling card carefully when it arrives, as this will tell you where to vote and remind you to bring photo ID.”

To administer the election, the council is currently reviewing the polling places used. A four-week consultation was held on proposed changes to polling places and any changes will be confirmed by Council this month.

What you can do now

With all of these changes in mind, it is important to ensure you are prepared and able to cast your vote in May. Make sure you are [registered to vote](#) by midnight on Tuesday 16 April and remember to bring suitable photo ID with you to the polling station. A list of accepted forms of ID is available on the Electoral Commission’s website.

If you do not have suitable ID, you can apply for a free [Voter Authority Certificate](#) online. Those residents wishing to vote by [post](#) or [proxy](#) in May can also apply online.

In May 2024, there is also a Police and Crime Commissioner election for Thames Valley, with the possibility of parish council elections if there are any contested seats. Residents should not only be prepared for the elections in May, but also the next general election. Although a date for the next election has not yet been announced, it must be held by 28 January 2025, although it could be called sooner.

Message from our Clerk

WBC has decided to move to 18 wards each with three councillors (so the total number of borough councillors stays at 54). The previous one seat ward of Shinfield North and the village of Shinfield will combine to become a new Shinfield ward. Three Mile Cross, Spencers Wood and Grazeley will join with Swallowfield to become a new ward called Spencers Wood and Swallowfield.

This will mean that those voters in the new Shinfield ward who would previously have voted at Spencers Wood Pavilion or Three Mile Cross will now be expected to vote at the School Green Centre. WBC will issue polling cards as usual nearer to election day (2nd May 2024).

For the general election all of the parish of Shinfield will lie in the newly created parliamentary constituency of Earley and Woodley. The parliamentary constituency tends to follow borough wards so in addition to the WBC wards that cover Shinfield referred to above this seat and the borough wards covering Earley and Woodley it will also include two wards that used to be in the Reading East
