Annual Community Shinfield Parish Litter Pick 2024

Despite the weather not being on our side, we still had a fantastic community litter pick on the 10th April. The Shinfield community rallied together and managed to collect over 22 bags of rubbish and even one bag filled with disposable vapes!

After their hard work they rejoined us at the School Green Centre to enjoy some delicious pastries supplied by Shinfield View Care Home and the children collected their Eco Warrior certificates.

We also had a few members of the parish sign up to our Adopt-A-Street scheme to regularly litter pick in the area they live with all equipment supplied.

Thank you to our wonderful community for helping keep our parish clean!

If you are interested in signing up to Adopt-A-Street please contact

Grazeley Room Spring Refurb

Our Grazeley Room at the School Green Centre is one of the most used by our regular hirers, it has air conditioning, access to children's toilets, a sink area and a little courtyard. Due to the heavy use, it was in need of a refresh and is back to looking colourful and vibrant.

Got an event coming up? If you're interested in viewing this room or one of our others, please call 0118 988 8220 option 1 to arrange this with our Customer Care Team. Alternatively, you can view our rooms on our website [Rooms for hire Shinfield Parish Council](#)

School Green Centre Baby & Toddler Group back up and running

It was so lovely to see so many of our community using the group again, we have a lovely volunteer but ideally we need 3 or 4 to keep this group running weekly in term-time. Please contact Lynda, 0118 988 8220 if you're interested in helping occasionally.

WBC Rubbish & Recycling Newsletter April 2024

Get ready for a greener future as changes approach

From mid-August, we'll be [collecting rubbish every two weeks](#) from a new 180-litre black wheeled bin instead of the existing blue bags.

You'll be getting your bin from late May onwards. A leaflet explaining your first collection dates and other useful information will come later.

Recycling will also be collected every two weeks, on weeks when rubbish isn't collected, from the same green bags.

There's no limit on how many [green bags](#) you put out, but up to four should be enough. Our [food waste collections](#) are staying weekly.

Your regular collection day won't change, but collections could be earlier so you'll need to put everything out the night before.

If you need more green bags or a food waste bin, you can [collect them free of charge](#) from one of our community hubs.

Death by Detective has been described as... *"a witty and fast-paced comedy loosely based on a legendary Conan Doyle detective who solves a terrible murder and discovers his guilty part in the affair; it is left to his closest friends to prevent him from arresting himself.*

A lot of fun for both the cast and the audience.

This production will be brought to you by arrangement with Lazy Bee Scripts."

"To assist our Front of House team with the catering, it would be helpful if tickets could be purchased in advance. We are unable to guarantee a light supper for tickets purchased after the 13th of May for the Wednesday performance and after the 16th of May for either of the performances at the weekend. Last-minute ticket purchases will be charged at a reduced rate if a light supper cannot be served.
