

The following presentation
was provided at a public
meeting on Saturday 15th
June at School Green Centre

Manor Ground

Shinfield Parish
Council took on
Manor Ground in
April 2023 and it
is working
reasonably well

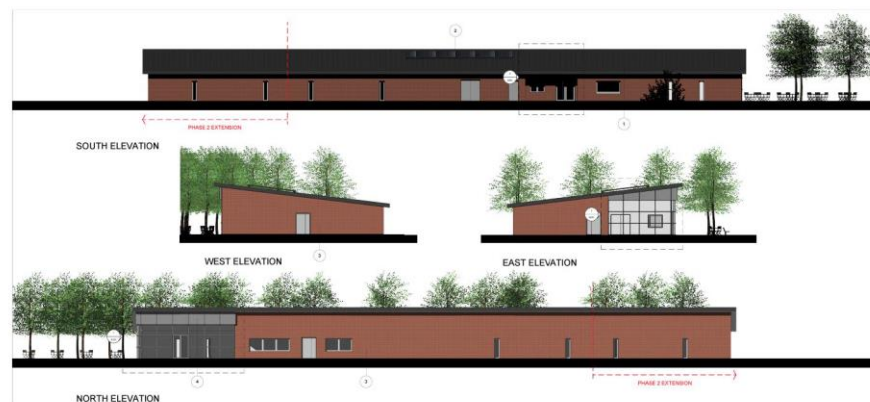

High Copse

High Copse is progressing quickly and we expect the building to be completed later this year with football from September 2025 and Cricket from April 2026.

This is a £7m project for University of Reading which will be handed over to Shinfield Parish Council to operate

High Copse

Hyde End Lane

Two football pitches are also being worked on at Hyde End Lane to be managed by Wokingham Borough Council

Millworth Lane Current Condition

Proposed Refurbishment of Millworth Lane Sports Ground

Initial Consultation

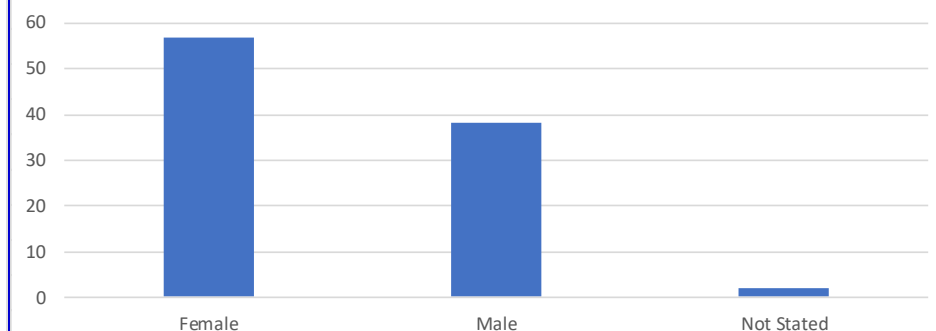

Age Range of Respondents

Back in January 2023 we held a formal consultation exercise here in the School Green Centre and also invited comments online.

These two charts show the breakdown of the 97 responses we had.

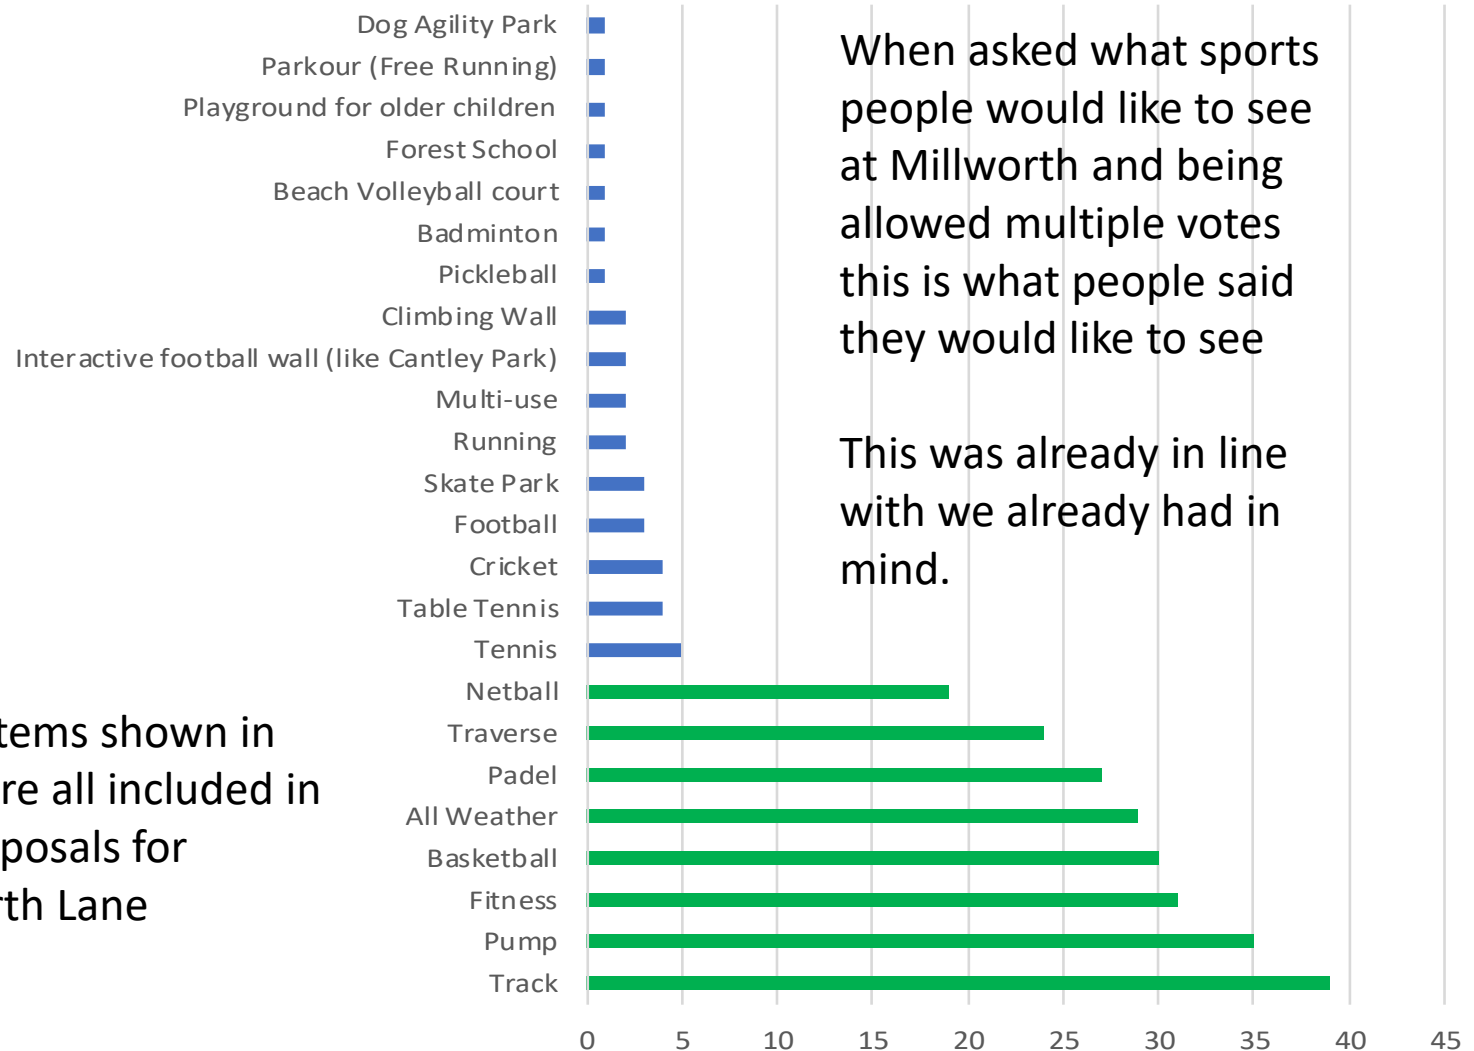

Gender of Respondents

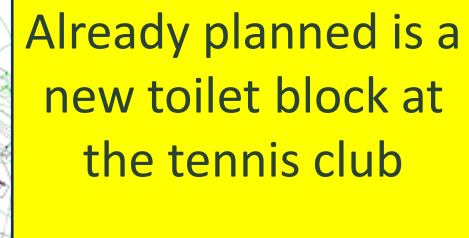

Initial Consultation

Preferred Sports
