The Grand Opening event was held on the 4th October 2024 at 4pm. We showed Ghostbusters Frozen Empire as this was the first full production filmed at Shinfield Studios. We were delighted to see so many of our community attend the outside celebrations and walk the red carpet to have their photos taken with the Southend on Sea Ghostbusters team and their amazing props - the giant inflatable Marshmallow Man really did make an impact!

The Shinfield Cinema officially opened its doors to the public on Friday 1st November and a film schedule has been produced by our independent movie panel for the rest of this year, the timings are subject to change whilst we find our feet. The 2025 film schedule will be published on our website when agreed.

The Shinfield Cinema was made possible and fully funded by Shinfield Studios, a huge thank you goes to them for what we hope will become a fantastic community asset.

You can view the film schedule, more information about the cinema and how to book on our website

UPDATE FROM YOUR CHAIRMAN

*Cllr Andrew Grimes & Nick Smith -
Joint MD Shinfield Studios*

2024 has been a fantastic year for Shinfield. The parish gained worldwide recognition with the release of Ghost Busters 4: Frozen Empire which was shot at Shinfield Studios. On Friday 4th October the film was the centrepiece of the official opening of the new cinema facility at School Green Centre. The cinema has been funded by Shinfield Studios and we will use the facility for film shows, lectures and game nights.

Crumbs cafe will support these events with their great catering.

It was a pleasure to again provide financial support to the Spencers Wood Carnival as we have done in previous years. Well done to the organisers and participants for such a great community event. On our stand we had many conversations with residents about issues that were of concern to them and a couple of key points came out of those discussions;

1 – How can Shinfield Parish Council and our residents shape and improve our community? The more conversations we have, help us to identify what we are doing well and more importantly what we can do to improve our community, together with our partners in neighbouring parish councils and Wokingham Borough Council (WBC).

2 – It often isn't us - but we can still help you if it isn't us by pointing you in the right direction and/or giving you additional information to help resolve the matter.

Over the summer we were again able to help get Wokingham Borough Council and residents concerned over school buses into the same room at council meetings to discuss the issues. While the outcome wouldn't have pleased everyone it was better than originally looked possible. We are working with WBC to avoid similar issues in 2025.

We are also working with WBC to see what can be done to improve education within the parish. With the development of Shinfield Studios, The British Museum and Natural History Museum and possibly the Kew Gardens Herbarium we aim to make Shinfield a great place for our children to grow, study and work.

As a parish council we are nonpolitical and what we do is by local residents for local residents. If you are interested in finding out more about what the parish council does and want to be more involved in your community, then please contact Bruce our Clerk or Sally our Deputy Clerk on 0118 988 8220. Come to our meetings, ask questions and join in to help us make Shinfield a great place to live.

Andrew Grimes,
Chairman of Shinfield Parish Council

WHAT WE HAVE BEEN UP TO

ANNUAL LITTER PICK

Another successful community litter pick took place in the Easter Holidays. We are so grateful to all those that make an effort to keep our parish clean and tidy and free from litter. Keep your eyes peeled for next year's litter pick, which will be around the same time. Also, if you would like to regularly litter pick in your area, sign up to **Adopt a Street** - we provide the equipment and bags which can be left out with your household waste.

BABY & TODDLER GROUP

The School Green Baby & Toddler Group is provided by Shinfield Parish Council. We provide a free space for our community every Friday in term- time. The sessions run from 9.30-11.30am for parents and carers to bring along their little ones and network with others. Unfortunately, uptake is affecting the future of this group, so we urge our community to come along and make this group what they need or we may have to offer this space for hire. We have lots of books, toys, duplo, arts & crafts and more.... If you would like to volunteer to support this group and help set up please [email info@shinfieldparish.gov.uk](mailto:info@shinfieldparish.gov.uk)

ANNUAL PARISH MEETING & QUIZ NIGHT

The Annual Parish Meeting was held in May. This is an opportunity for our community to find out what we've been doing and what's coming up for the following year. For the past two years this has been followed by our popular Quiz night, the winners pictured - Shinfield Players, have won two years in a row and received £250 prize money each time for their theatre. If you're a community group or in the voluntary sector, we would love you to join us next year for a chance to win funds for the charity or local community group of your choice. Hope to see you there!

WHAT WE HAVE BEEN UP TO

RIBA SOUTH AWARD 2024 & RIBA SOUTH CLIENT OF THE YEAR 2024

In May 2024, we were delighted that The School Green Centre was awarded a 2024 RIBA (Royal Institute British Architects) South Award of the Year and the 2024 South Client of the Year to Shinfield Parish Council.

If you haven't been down to see us, pop in and have a look around - everyone welcome.

SPENCERS WOOD CARNIVAL

Despite the initial bad weather, the carnival was another huge success - congratulations to Debbie and her team. SPC was there to promote the Shinfield Cinema and conducted a free prize draw to win tickets for the Grand Opening. Our prize winners also won a Ghostbusters themed hamper provided by Shinfield Studios.

Thank you to everyone who took part and signed up to our newsletter.

FRIDAY FUNDAY

Shinfield Parish Council arrange these free events for babies to primary age children every Friday in school holidays. The sessions run from 10am-1pm at the School Green Centre - we ask for voluntary contributions to help with the hire of the equipment. We are always looking for volunteers to help with these sessions and others, if you're interested, please get in touch.

The session held on the 1st November was a collaboration with Wokingham's Shinfield North Engagement Team who also put on extra activities.

THE NEXT 12 MONTHS

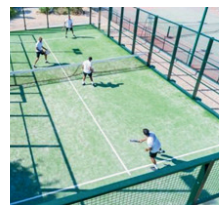

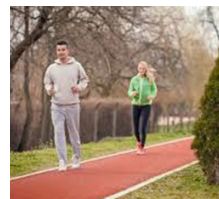

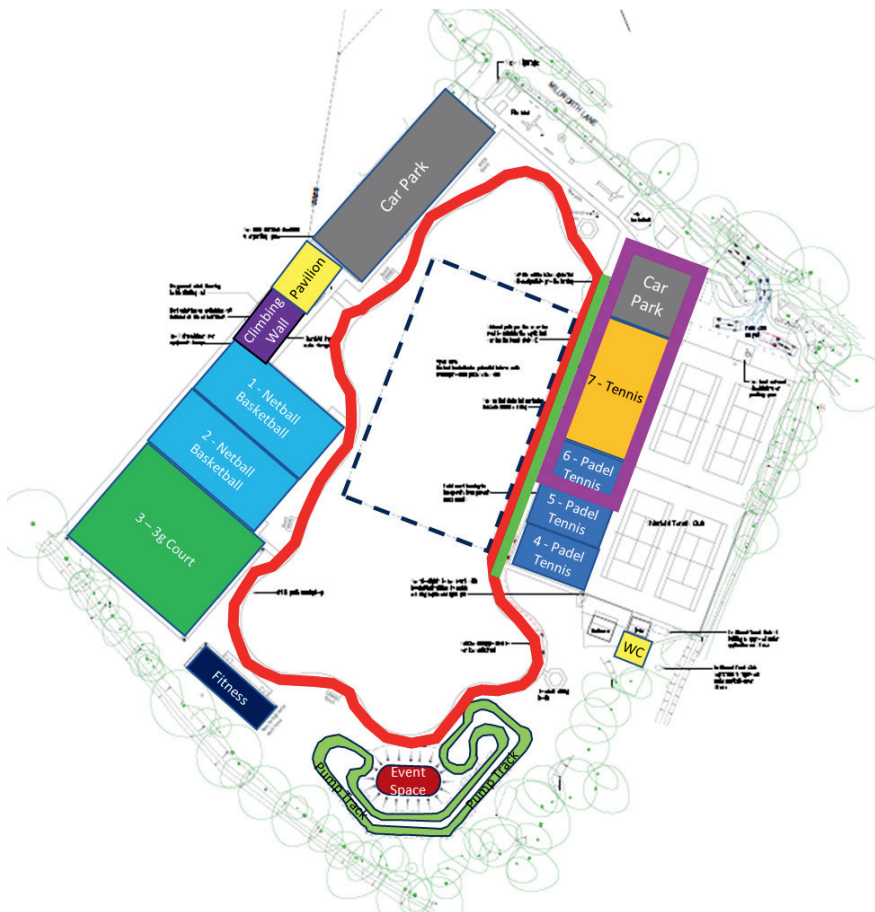

High Copse Pavilion & Sports Ground

The University of Reading will shortly complete the construction of High Copse Pavilion and Sports Ground. They will then sign a lease with Shinfield Parish Council so that we can start to operate the building. Football pitches are expected to be playable from September 2025 and the cricket square from April 2026.

Millworth Lane Sports Ground

After the consultations last year and follow up meetings with the public, the plans for regeneration of the Millworth Lane Sports Ground have been confirmed. We expect work will start in Spring 2025.

Phase 1

- Running track with solar powered lighting
- Sprint tack integrated with running track
- 2 Padel tennis Courts

Phase 2

- Extend Tennis Club Car Park
- Pay as you go Tennis Court
- 3rd Padel tennis Courts

If you'd like to see this plan in a bigger format - please visit www.shinfieldparish.gov.uk/consultations/

GET INVOLVED

WE NEED YOUR INPUT

Shinfield Parish Council (SPC) would like to welcome you to become more involved in the activities of the parish by giving us feedback, asking questions and making suggestions.

Often local councils are seen as ‘Vicar of Dibley’ organisations, and although this TV series can be extremely comical this is not how we operate.

The ‘Full Council’ (SPC has 15 councillors representing the various areas of the parish) meets on a monthly basis and the first item on the agenda is for ‘public questions’. All meetings are open to the public. It is not necessary to inform us if you are coming, however, it can be helpful to know of any questions in advance of the meeting so the necessary research can be carried out to enable as full a response as possible. In July and August, we had over 50 members of the public at each meeting to raise concerns over school transport and to have an opportunity to hear directly from Wokingham Borough Council’s lead for Education and Children’s Services.

The parish covers a large area, encompassing Shinfield Village, Shinfield North, Spencers Wood, Three Mile Cross and Grazeley. A local council is governed by legislation and is funded through the ‘precept’ (this is collected with your council tax) and income from hiring out facilities.

The next round of elections for Shinfield Parish Councillors is in 2027 (we currently have a full compliment but casual vacancies do occur in between election periods, so keep a watch on our website if this interests you). You do not, however, need to wait for a vacancy if you wish to be involved; you could contribute by joining one of our working parties if this is an area that you have knowledge, expertise or a keen interest.

If you would like more information, please email clerk@shinfieldparish.gov.uk. You are welcome to make an appointment to discuss your interests in person.

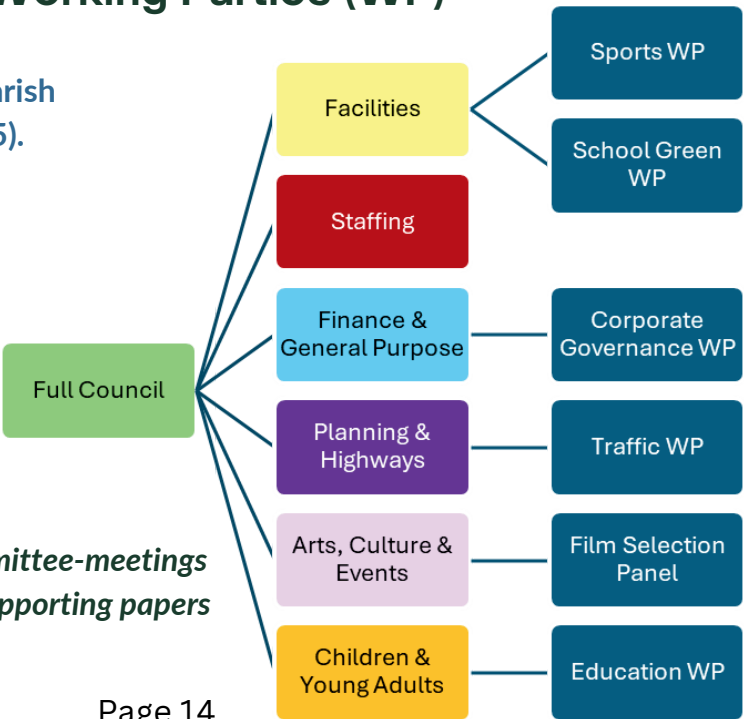

Committee Structure & Working Parties (WP)

SPC is in the largest 250 town and parish councils in the country (out of 10,245).

SPC is a busy vibrant council and manages its commitments through committees and working parties.

These committees then report to the monthly Full Council meetings. Currently we have six committees and various working parties (WP).

Visit www.shinfieldparish.gov.uk/committee-meetings for a schedule of meetings, agendas, supporting papers and minutes

LOOKING AFTER YOUR MONEY

In 2023/24 our Revenue Expenditure was as follows:

Staff	£334k (£257k in 2022/23)
Estates	£237k (£321k in 2022/23)
Other	£174k (£138k in 2022/23)
General Reserve	£87k (£0k in 2022/23)
TOTAL	£831k (£716k in 2022/23)

The changes between years reflect a review of staff employed to manage the growth in facilities and new projects. The cost of Estates was less in 2023/2024 due to a reduction in the cost of electricity.

This was funded in 2023/24 from:

Precept	£599k (£552k in 2022/23)
Rental Income	£189k (£150k in 2022/23)
Other Income	£43k (£14k in 2022/23)
TOTAL	£831k (£716k in 2022/23)

The Precept is the parish council element of your overall Council Tax bill and is based on the number of housing units in the parish. This is set at the start of the year and is based on the difference between what we expect to earn and what we budget to spend. The surplus of £87k at the end of the financial year was transferred to the General Reserve.

During the financial year we spent £342k on capital projects funded from Community Infrastructure Levy (contributions from developers), including £28k granted to community organisations to improve public facilities and £8k to Oakbank School for a new bike rack. A further £176k was received and is set aside for future projects. This amount can vary significantly between years as it depends on the status of individual developments.

We are sorry to all those that applied but did not receive an award this year (or only received a partial award).
